Season 2009/2010

I would like my child to join the Mini or Junior rugby sessions held at Effingham & Leatherhead Rugby Football Club ("the Club"). I understand that the Club, its servants, agents, employees or coaches are not under any liability whatsoever for the loss of property, accidents or injuries of, or to, myself or my child, however caused, whilst on the Club premises, or during the course of training, preparation or matches played at the Club or other grounds. Until the subscription is paid the RFU's insurance cover will not be valid and the child will not be allowed to train or play. Each family paying a Family Membership is entitled to a single vote under the Rules of the Club.

Although I understand that the Club would prefer parents to be present at all time, if this is not possible and it becomes necessary for my child to receive medical treatment and I cannot be contacted by telephone or any other means to authorise this. I hereby give my general consent to any necessary medical treatment and authorise the Coach in charge of the age group to sign any document required by the hospital authorities. I further consent to my child travelling by private transport to away fixtures when I am unable to provide the necessary transport. I confirm that the date of birth of my child is as shown below.

EFFINGHAM & LEATHERHEAD RFC GUIDING PRINCIPLES

Effingham & Leatherhead RFC strongly believe in adopting and implementing best practice for child protection and welfare. We are a club that is committed to ensuring that equity is incorporated across all aspects of our club's development. That should be evidenced by our adoption of codes of conduct for players, coaches, spectators and referees, as well as demonstrating equitable and best practice. We have a club welfare officer and assistants, all adults in supervisory contact with children must be CRB cleared; coaches, referees, assistants etc are encouraged to attend formal and informal equity and child protection courses.

Equity Statement

This club is committed to ensuring that equity is incorporated across all aspects of our development. In doing so we acknowledge and adopt the following Sport England definition of equity:

- The club respects the rights, dignity and worth of every person and will treat everyone equally within the context of rugby, regardless of age, ability, disability, gender, race, ethnicity, religious belief, sexuality, nationality or social/economic status.
- The club is committed to everyone having the right to enjoy their rugby in an environment free from threat and intimidation, harassment and abuse.
- All club members have a responsibility to oppose discriminatory behaviour and promote equality of opportunity. The club will deal with any incidence of discrimination seriously, according to the club's disciplinary procedures.

The club will take steps, as appropriate, to encourage membership from different groups and diverse communities.
