

What's new for 2010

Sevens is the hot rugby topic in 2010. More Sevens Rugby events are hitting the headlines following the Olympic committee's decision to include Rugby 7s in the 2016 Games. Many of Rugby's star players will be out to impress and we will bring you news and information about Sevens events throughout the year, where you can see the possible future Gold medalists performing.

To start 2010 off with some home news, we have re-launched the Middlesex Charity Sevens Cashback scheme for clubs and schools. There are more details below on how you can **earn £10** on every ticket sold, just by putting a link on your website or emailing your members and friends.

We also have an extra special offer for Kids this year - it's free! Bring the family to Twickenham for a great day of rugby with Kids go Free. **SEE WEBSITE FOR DETAILS.**

Club Cashback

Support your club with our fantastic fundraising scheme. Raise unlimited amounts of money for your club. Simply register your club on our website and **earn £10** on every adult ticket sold through the unique web link we provide for you. You can post the hyper link anywhere you like - directly to club members, on websites, through members companies websites, pubs, clubs, wherever you like. We make it even easier by providing our logo with your unique link attached. You can view how many adult tickets you have helped to sell and your club will be rewarded with £10 Cashback for every ticket.
